

9th International

Alpensymposium

Events from Platinum

January 18-19, 2011

Interlaken, Switzerland

In 2011 the 9th International Alpsymposium brings you an incredible lineup of speakers, tailored to provide you with the latest insights on three areas critical to the success of any organization.

Economy - trends - change

Leadership - performance - people

Strategy - innovation - communication

THE CRITICAL ISSUES

The International Alpsymposium responds to what is happening now in these critical areas, whether it's the global financial markets, social media, healthcare or globalization.

INCREDIBLE SPEAKERS

Nowhere else in Europe do you get the lineup of speakers with the experience and knowledge that the International Alpsymposium offers.

NETWORKING OPPORTUNITIES

Face to face networking with 800 attendees from all over Europe - more than 80% of attendees are at C-Level or above, representing companies from every sector of business. Connect with the Alpsymposium community and reach many more.

Be part of this inspirational event in the company of Europe's leading business figures at the Victoria-Jungfrau Grand Hotel & Spa, Interlaken, Switzerland.
